Conserve Water: Use less water so excess runoff and wastewater will not flow into the ocean.

Reduce pollutants: Choose nontoxic chemicals and dispose of all chemicals properly.

Reduce waste: Cut down on what you throw away.

Shop wisely: Choose sustainable seafood. Buy less plastic and bring a reusable bag.

Reduce vehicle pollution: Use fuel efficient vehicles, carpool or ride a bike.

Use less energy: Choose energy efficient light bulbs and don’t overset your thermostat.

Fish responsibly: Follow “catch and release” practices and keep more fish alive.

Practice safe boating: Anchor in sandy areas far from coral and sea grasses. Adhere to “no wake” zones.

Respect habitat: Healthy habitat and survival go hand in hand. Treat with care.

Volunteer: Volunteer for cleanups at the beach and in your community. You can get involved in protecting your watershed too!
